*At the Dawn
of the Year
2000*

IN THE JOY OF A NEW MILLENNIUM

PHOTO: M. MARCOUX, M.I.C.

What an overflow of joy Spring awakens in our hearts! The Church invites us to this joy, to this new life, as our century winds down and we look forward to the dawn of a new millennium. The book of life as well as the cycle of the seasons bid us to nourish the hope of new beginnings. Between the blossoms of spring and the abundant fruits of autumn is the long stretch of time for hope, patience, growth ... and the joy of a plentiful harvest! What a privilege it is for our generation to take part in the passage - not only to a new century, but to a new millennium!

principal agent of evangelization in all parts of our planet Earth. The values of peace and justice, the defense of human rights and the dialogue among mainstream religions are some of the major concerns to be addressed by anyone wishing to take seriously the challenges of the end of this century. One sign of the vitality of the missionary Church is the contribution of the Missionary Sisters of the Immaculate Conception through a whole spectrum of commitments, in cooperation with lay people, both young people and adults, at home and abroad.

The Jubilee of the year 2000 is meant to be a great prayer of praise and thanks-

giving, especially for the gift

*P*REPARING FOR
THE YEAR 2000

AT THE HEART OF THE TRINITY WITH MARY:

1997

Jesus Christ - rediscover Christ, Saviour and Evangelizer.

Contemplate and invoke the Blessed Virgin in the mystery of her divine motherhood as the model of faith which is put into practice. (TMA n° 45)

1998

The Holy Spirit - rediscover His presence and action as the principal agent of the new evangelization.

Contemplate and imitate Mary as the woman who was docile to the voice of the Spirit, a woman of silence and attentiveness, a woman of hope.

(TMA n° 48)

To anticipate the year

1999

To anticipate the year 2000 is to prepare our hearts for an extraordinary event! It is most appropriate in this respect to read and reflect deeply on the apostolic letter *Tertio Millennio Adveniente* (TMA) written by Pope John Paul II in 1994. The Church invites us even at this early time to see this passage coming and to commit ourselves actively over the next three years to its immediate preparation, in view of the Great Jubilee! The word "jubilee" evokes not only interior joy, but also every exterior manifestation of joy.

To prepare for the year 2000 means to look at our century with a view of discovering in it the signs of hope. It also means discovering the paths that lead our pilgrim Church into the future, this Church which is called to ongoing conversion and unity. Jesus' plan is a challenge and a great hope for the 21st century. The Spirit who is always at work continues being the

giving, especially for the gift of the Incarnation of the Son of God and of the Redemption which He accomplished. (...) This thanksgiving will embrace the fruits of holiness which have matured in the life of all those many men and women who in every generation and every period of history have fully welcomed the gift of Redemption. (...)

Beatifications and canonizations show the vitality of the local Churches. The greatest homage which all the Churches can give to Christ on the threshold of the third millennium will be to manifest the Redeemer's all-powerful presence through the fruits of faith, hope and charity present in men and women of many different tongues and races who have followed Christ in the various forms of the Christian vocation. (TMA, N^{os}. 32, 37)

Will the Canadian Church and the universal Church soon witness the recognition of the heroic virtues of the servant of God, Délia Tétreault, Foundress of the Institute of the Missionary Sisters of the Immaculate Conception, as one of the fruits to be savoured?

We are called to a new Advent season, to a new springtime! The Holy Father placed the immediate preparation of this Great Jubilee under the maternal and watchful eye of Mary. May we open our hearts as she did to the promptings of the Spirit and set out with joy and hope for the "year of grace 2000"! □

The Editorial Team

1999

God the Father - journey towards the Father in a spirit of conversion and in praise.

Contemplate Mary as the perfect model of love toward both God and neighbour. Welcome her loving and urgent invitation to return to the house of the Father. (TMA n° 54)

2000

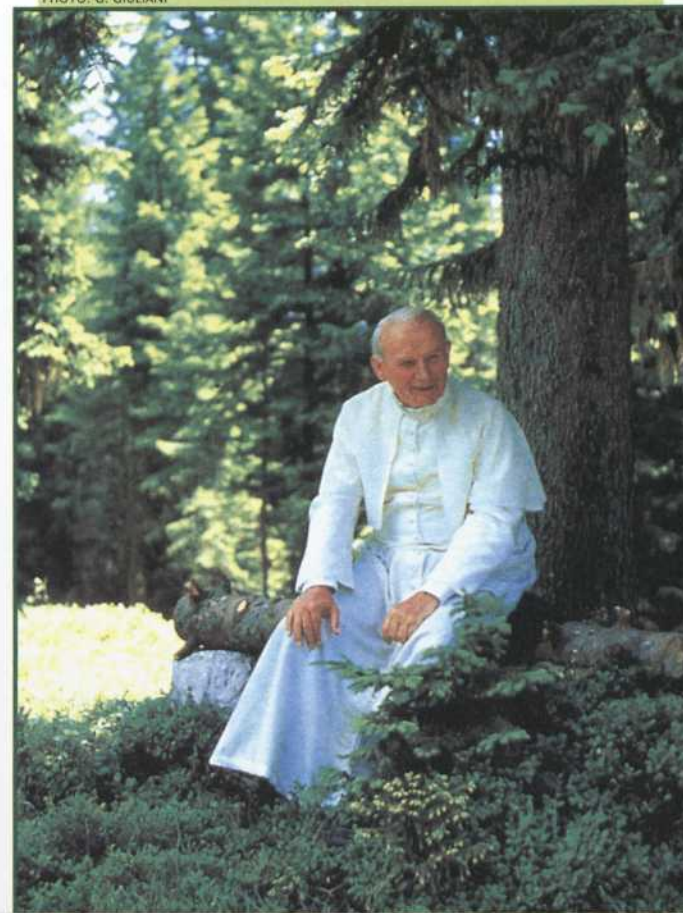

The Trinity - give glory to the Trinity... from Christ and through Christ, in the Holy Spirit, to the Father.

The year 2000 will be a Eucharistic year, marked by ecumenical encounters...

In the joy of celebrating the Great Jubilee!

John Paul II
